CHAPTER TWO GROOMING STANDARDS

SECTION 1:	GENERAL INFORMATION	Article
1.	GENERAL	2101.1
2.	NAVY PERSONNEL ASSIGNED TO MARINE CORPS	2101.2
3.	SMARTNESS	2101.3
4.	CARE OF THE UNIFORM	2101.4
5.	CLEANING	2101.5

2101. [GENERAL INFORMATION](#)

1. [GENERAL](#). **The primary consideration is to have a neatly groomed appearance while wearing naval uniforms.** Grooming standards are based on several elements including neatness, cleanliness, safety, military image and appearance. The standards established here are not intended to be overly restrictive nor are they designed to isolate Navy personnel from society. The limits set forth are reasonable, enforceable, and insure that personal appearance contributes to a favorable military image. The difference between men's and women's grooming policies recognizes the difference between the sexes; sideburns for men, different hairstyles and cosmetics for women. Establishing identical grooming and personal appearance standards for men and women would not be in the Navy's best interest and is not a factor in the assurance of equal opportunity.

2. [NAVY PERSONNEL ASSIGNED TO MARINE CORPS](#). Navy personnel assigned to Marine Corps units who elect to wear and are issued Marine Corps **service uniforms** at no expense, will abide by grooming standards established for Marines. Navy personnel assigned to Marine Corps units who do not elect to wear Marine Corps service uniforms will be issued only utilities and shall abide by grooming standards for Navy personnel.

3. [SMARTNESS](#)

a. Image. United States Navy personnel must set and maintain the high standards of smartness in uniform appearance. The military image reflected by attention to detail, while wearing your uniforms, is a key element in the public image of the Navy.

b. Cleanliness. Uniforms shall be kept scrupulously clean, with lace, devices and insignia bright and free from tarnish and corrosion.

c. Articles.

(1) NO ARTICLES SHALL PROTRUDE FROM OR BE VISIBLE ON THE UNIFORM, including such items as, pencils, pens, watch chains, key chain fobs, pins, jewelry, combs, large wallets, cigars, cigarettes, pipes, or similar items (Jewelry, tie clasps, cuff links, shirt studs and earrings shall be worn as prescribed elsewhere in these regulations). Communication devices (e.g. cell phones, blackberries, pagers, etc.) are authorized for use and wear while in uniform (to include walking) in the manner prescribed as follows:

(a) Communication devices shall be conservative in color and design and shall not distract from the appearance of the uniform.

(b) Only one communication device is authorized for wear and can only be worn on the belt of working and service uniforms aft of the elbow.

(c) Wearing of communication devices on service dress uniforms is not authorized.

(d) Communication devices will not be visible from the front and worn in such a manner as to impede the normal wear and appearance of the uniform (e.g. sagging, bunching, bulging, protruding etc.).

(e) Whenever there is a concern for operational security, the authorized use of communication devices shall be at the commanding officer's discretion.

(f) The use of portable communication devices shall not interfere with the rendering of military courtesies and honors nor violate local, state and federal laws.

(g) When not being worn on the uniform and in use, communication devices will be placed at the side of the leg and in the appropriate hand when rendering salutes, greetings and other military courtesies/honors.

(h) The use of an earpiece, blue tooth technology, headsets or hands-free device while in uniform indoors or outdoors is prohibited unless specifically authorized for the execution of official duties (e.g. NSW, security personnel, detailers, etc.).

(i) The use of blue tooth technology, headsets and other hands-free devices are only allowed in uniform in a vehicle when authorized by local, state and federal law. Regional commanders may further restrict on base use of hands-free devices.

(2) Civilian bags (e.g. computer bags/briefcases), this does not include women's handbags/purses, may be worn with the working and service uniforms as prescribed in the manner below:

(a) Backpacks may be worn over either the left shoulder or both shoulders while wearing service and working uniforms. Authorized colors of backpacks include black, navy blue, and the matching NWU Type I pattern. The matching NWU Type I pattern backpack is only authorized for wear with the NWU Type I's. No personal ornamentation shall be attached on or to the backpack.

(b) Computer bag and brief case: may be worn across the left shoulder of service and working uniforms to facilitate saluting. When wearing a bag, the strap must be worn across the left shoulder (fore and aft) with the bag hanging on the same side of the body. The case or bag will not be worn with the strap and bag on the opposite sides of the body (diagonally).

(c) All bags/brief cases worn with the uniform must conceal its contents and be either solid black or navy blue in color. There shall be no personal ornamentation attached on or to the bag/brief case.

(d) While in dress uniform, civilian bags will be hand carried only.

(e) A full seabag may be carried/worn on the shoulders.

d. Glasses

(1) Prescription Glasses. No eccentric or faddish glasses are permitted. Retainer straps are authorized for FOD prevention and safety only. If retainer straps are required, they shall be plain, black and worn snugly against the back of the head.

(2) Sunglasses. Conservative sunglasses are permitted, except in military formations. Retainer straps are authorized for FOD prevention and safety only. If retainer straps are required, they shall be plain, black and worn snugly against the back of the head.

(3) Contact Lenses. Tinted contact lenses must be a natural color (blue, green, brown, etc).

e. Undergarments. Appropriate undergarments shall be worn to preserve the dignity and appearance of the uniform.

f. Military Creases. Military creases on shirts are an individual option. Sewn-in creases are not authorized. Military creases are formed by pressing two vertical creases in the front of the shirt, from the shoulder seam through the center of each pocket to the bottom of the shirt, and three evenly spaced vertical creases in the back of the shirt, from the yoke seam to the bottom of the shirt. Shirts which do not have a yoke seam across the back of the shirt as a reference point for placing three evenly spaced creases, start the outboard creases at the shoulder seam and the center crease at the seam where the collar is attached to the shirt, ending all at the bottom of the shirt.

g. Tailoring of Uniforms. Uniforms may be tailored to provide a well-fitting, professional military bearing. They shall not be altered to the extent of detracting from a military appearance, nor shall they be tailored to the point of presenting a tight form fit.

4. CARE OF THE UNIFORM. The longest service of the various uniform articles can be attained only by proper care and maintenance. This information is presented to help prolong the useful life and distinguished appearance of uniforms and equipment. Even new, properly fitted uniforms will not continue to look their best or keep their shape unless you care for them properly. Carrying large or heavy objects in pockets will quickly destroy the shape of the best uniform. Uniforms should be stored on hangers. If uniforms are to be stored for a long time, they should be cleaned thoroughly, then packed away in an airtight plastic bag with a packet of desiccant (drying agent) for maximum preservation.

5. CLEANING

a. Buttons. Buttons may turn green when the pewter plating wears off and the copper base becomes covered with green copper carbonate due to exposure to moist air. You can remove the green coloring by rubbing gently with acetic acid or any substance containing this acid such as vinegar or Worcestershire sauce, followed by a thorough washing in clean water.

b. Embroidered Insignia. Embroidered insignia may be kept bright by occasional scrubbing with a nail brush and a diluted ammonia solution. Do this as soon as there are signs of tarnish or corrosion. If corrosion has been allowed to continue after it has gained a foothold, the device may not be restorable.

c. Gold Lace. Gold bullion lace will tarnish rapidly and may deteriorate when in contact with or hung near any substance containing sulphur, such as rubber or ordinary manila or kraft wrapping paper. Gold bullion lace should be cleaned by an experienced tailor although liquid nontoxic preparations and certain liquid cleaners available commercially may be used if applied according to manufacturer's instruction.

d. Metal Insignia. Clean the gold filled and sterling silver rhodium finished parts of metal insignia by washing with soap and water. **Insignia will not be polished to the degree that the basic details of the standard insignia are defaced, removed, or altered in general appearance.**

2201. PERSONAL APPEARANCE. Because it is impossible to provide examples of every appropriate or unacceptable hairstyle or of "conservative" or "eccentric" grooming and personal appearance, the good judgment of leaders at all levels is key to enforcement of Navy grooming policy. Therefore, hair/grooming/personal appearance while in uniform shall present a neat, professional appearance.

1. HAIR

a. Men. Keep hair neat, clean and well groomed. Hair above the ears and around the neck shall be tapered from the lower natural hairline upwards at least 3/4 inch and outward not greater than 3/4 inch to blend with hairstyle. Hair on the back of the neck must not touch the collar. Hair shall be no longer than four inches and may not touch the ears, collar, extend below eyebrows when headgear is removed, show under front edge of headgear, or interfere with properly wearing military headgear. The bulk of the hair shall not exceed approximately two inches. Bulk is defined as the distance that the mass of hair protrudes from the scalp. Hair coloring must look natural and complement the individual. Faddish styles and outrageous multicolored hair are not authorized. The unique quality and texture of curled, waved, and straight hair are recognized, and in some cases the 3/4 inch taper at the back of the neck may be difficult to attain. In those cases hair must present a graduated appearance and may combine the taper with a line at the back of the neck. **One** (cut, clipped or shaved) natural, narrow, fore and aft part is authorized. Varying hairstyles, including afro, are permitted if these styles meet the criteria of maximum length and bulk, tapered neck and sides, and do not interfere with properly wearing military headgear. Plaited or braided hair shall not be worn while in uniform or in a duty status. Keep sideburns neatly trimmed and tailored in the same manner as the haircut. Sideburns shall not extend below a point level with the middle of the ear, shall be of even width (not flared) and shall end with a clean shaven horizontal line. <Figure 2-2-1> refers. "Muttonchops", "ship's captain", or similar grooming modes are not authorized.

b. Women. This policy applies to female Sailors while wearing the Navy uniform and when wearing civilian clothes in the performance of duty.

(1) Acceptable Hairstyle Criteria. Hairstyles and haircuts shall present a professional and balanced appearance. Appropriateness of a hairstyle shall be evaluated by its appearance when headgear is worn. All headgear shall fit snugly and comfortably around the largest part of the head without distortion or excessive gaps. Hairstyles will not interfere with the proper wearing of headgear, protective masks or equipment. When headgear is worn, hair shall not show from under the front of the headgear, with the exception of the Tiara and Beret. Hair (including bun) is not to protrude from the opening in the back of the ball cap.

Lopsided and extremely asymmetrical hairstyles are not authorized. Angled hairstyles will have no more than a 1-1/2 inch difference between the front and the back length of hair. Layered hairstyles are authorized provided layers present a smooth and graduated appearance.

Hair length, when in uniform, may touch, but not fall below a horizontal line level with the lower edge of the back of the collar. With jumper uniforms, hair may extend a maximum of 1-1/2 inches below the top of the jumper collar. Long hair, including braids, shall be neatly fastened, pinned, or secured

to the head. When bangs are worn, they shall not extend below the eyebrows. Hair length shall be sufficient to prevent the scalp from being readily visible (with the exception of documented medical conditions).

Hair bulk (minus the bun) as measured from the scalp will not exceed 2 inches. <Figure 2-2-2> refers. The bulk of the bun shall not exceed 3 inches when measured from the scalp and the diameter of the bun will not exceed 4 inches. Loose ends must be tucked in and secured.

Hair, wigs, or hair extensions/pieces must be of a natural hair color (i.e. blonde, brunette, brown, red, gray, or black). Hair extensions/pieces must match the current color of hair. Wigs, hairpieces and extensions shall be of such quality and fit so as to present a natural appearance and conform to the grooming guidelines listed herein. Tints and highlights shall result in natural hair colors and be similar to the current base color of the hair.

(2) Hairstyles. Hairstyles shall not detract from a professional appearance in uniform. Styles with shaved portions of the scalp (other than the neckline), those with designs cut, braided, or parted into the hair, as well as dyed using unnatural colors are not authorized. The unique quality and texture of curled, waved and straight hair are recognized. All hairstyles must minimize scalp exposure. While this list shall not be considered all inclusive, the following hairstyles are authorized.

a. Three strand braids and two strand braids (also referred to as twists) are authorized. Braided hairstyles shall be conservative and conform to the guidelines listed herein.

b. Multiple braids. Multiple braids consist of more than 2 braids and encompass the whole head. When a hairstyle of multiple braids is worn, each braid shall be of uniform dimension, small in diameter (no more than 1/4 inch), and tightly interwoven to present a neat, professional, well groomed appearance. Foreign material (e.g., beads, decorative items) shall not be braided into the hair. Multiple braids may be worn loose, or may be pulled straight back into a bun, within the guidelines herein.

c. Two individual braids. One braid worn on each side of the head, uniform in dimension and no more than one inch in diameter. Each braid extends from the front to back of the head near the lower portion of the hair line (i.e., braids are closer to the top of the ear than the top of the head to prevent interference with wearing of headgear). A single French braid may be worn starting near the top of the head and be braided to the end of the hair. The end of the braid must be secured to the head and braid placement shall be down the middle of the back of the head.

d. Corn rows. Must be in symmetrical fore and aft rows, and must be close to the head, leaving no hair unbraided. They must be no larger than 1/4 inch in diameter and show no more than approximately 1/8 inch of scalp between rows. Corn row ends shall not protrude from the head. Rows must end at the nape of the neck and shall be secured with rubber bands that match the color of the hair. Corn rows may end in a bun conforming to the guidelines listed herein, if hair length permits.

e. Rolls. Two individual rolls, one on each side of the head, must be near the lower portion of the hair line (i.e., rolls are closer to the top of the ear than the top of the head and will not interfere with wearing of headgear). Rolls must be of uniform dimension and no more than one inch in diameter.

(3) Hair Accessories. When hair accessories are worn, they must be consistent with the hair color. A maximum of two small barrettes, similar to hair color, may be used to secure the hair to the head. Bun accessories (used to form the bun), are authorized if completely concealed. Additional hairpins, bobby pins, small rubber bands, or small thin fabric elastic bands may be used to hold hair in place, if necessary. The intent is for pinned-up hair to be styled in a manner that prevents loose ends from extending upward or outward from the head. For example, when using barrettes or hairpins, hair will not extend loosely from the head; when hair is in a bun, all loose ends must be tucked in and secured. Hair accessories shall not present a safety or foreign object damage (FOD) hazard. Hair nets shall not be worn unless authorized for a specific type of duty. Headbands, scrunchies, combs, claws and butterfly clips, are examples of accessories that are not authorized; this list is not to be considered all inclusive.

(4) Unauthorized Hairstyles. While this list shall not be considered all inclusive, the following hairstyles are not authorized: ponytails; pigtails; braids that are widely spaced and/or protrude from the head; and locks. Locks, also called dreads, are fused or coiled strands of hair that cannot easily be combed out.

(5) Grooming Standards Exception. During group Command/Unit physical training, Commanding Officers are authorized to standardize unit policy for the relaxation of female hair grooming standards with regard to having hair secured to head (e.g., ponytails). Hair restraining devices, if worn, will be consistent with the current hair color.

2. **SHAVING AND MUSTACHES (Men).** The face shall be clean shaven unless a shaving waiver is authorized by the Commanding Officer per <BUPERSINST 1000.22>. Mustaches are authorized but shall be kept neatly and closely trimmed. No portion of the mustache shall extend below the lip line of the upper lip. It shall not go beyond a horizontal line extending across the corners of the mouth and no more than 1/4 inch beyond a vertical line drawn from the corner of the mouth. The length of an individual mustache hair fully extended shall not exceed approximately 1/2 inch. <Figure 2-2-1> refers. Handlebar mustaches, goatees, beards or eccentricities are not permitted. If a shaving waiver is authorized, no facial/neck hair shall be shaved, manicured, styled or outlined nor exceed 1/4 inch in length. **Supervisors of individuals with shaving waivers shall actively monitor and ensure treatment regimen is followed.** The following personnel are not authorized to wear any facial hair except for valid medical reasons:

- a. Brig prisoners.
- b. Brig awardees.
- c. Personnel in a disciplinary hold status (i.e., who are serving restriction or hard labor without confinement or extra duties as a result of a court-martial or NJP).

b. **Women.** Wigs or hairpieces meeting women's grooming standards are authorized for wear by personnel while in uniform or duty status.

4. **COSMETICS (Women).** Cosmetics may be applied in good taste so that colors blend with natural skin tone and enhance natural features. Exaggerated or faddish cosmetic styles are not authorized with the uniform and shall not be worn. Care should be taken to avoid an artificial appearance. Lipstick colors shall be conservative and complement the individual. Long false eyelashes shall not be worn when in uniform.

a. **Cosmetic Permanent Makeup.** Cosmetic Permanent Makeup is authorized for eyebrows, Eyeliner, lipstick and lip liner only. Permanent makeup shall be in good taste and blend naturally with the skin tone to enhance a natural appearance. Exaggerated or faddish cosmetic styles are not authorized and shall not be obtained. Approved permanent makeup colors are as follows: Eyebrows shall be shades of black, brown, blonde or red that matches the individual's natural hair color. Eyeliner shall be shades of black, brown, blue or green that matches the individual's natural eye color and shall not extend past the natural corner of the eye. Lip liner and lipstick shall be the color of the natural lip or shades of pink and moderate reds only. Permanent Makeup is considered an elective medical procedure that is accomplished by qualified medical professionals to enhance natural features and requires careful planning and consideration of associated risks and liabilities to the Sailor.

b. **Requesting Procedures.**

(1). Female Service Members assigned to their permanent duty station shall submit a Special Request Authorization Form (NAVPERS 1336/3) to their Commanding Officer expressing their desire to obtain permanent makeup. Included with the special request form shall be a description of the procedure facility and desired feature enhancements.

(2). Commanding Officers are to review permanent makeup notification requests to ensure description of enhancements is in compliance with cosmetic policy requirements and that requesting Sailors are counseled prior to obtaining permanent makeup. Additionally, Commanding officers will ensure requests for permanent makeup are annotated in member's medical record and medical entries are made after permanent makeup is obtained. Counseling of Sailors should include and might not be limited to the following topics: Personal financial impact of obtaining procedure. Qualification of provider of permanent makeup such as a qualified, licensed electrologist, esthetician or state board certified technician. The permanency and risks associated with procedures. The procedure cannot interfere with performance of military duties; planned leave to facilitate healing and return to full duty. The possible Non-availability of Military Treatment Facilities. The possibility of administrative separation if permanent makeup is non-compliant with Cosmetic Policies.

(3) Commanding Officers of members who have obtained Permanent Makeup that is not in accordance with existing policies shall document the condition on a NAVPERS 1070/613. Submit enlisted personnel's NAVPERS 1070/613 to the local Personnel Support Detachment for inclusion in the Field Service Record. Submit Officer personnel's NAVPERS 1070/613 to COMNAVPERSCOM (PERS 312) for inclusion in the Electronic Service Record. Failure to comply with established acceptable tattoo criteria as stated, is a violation of uniform policy and subject to disciplinary action to include involuntary separation.

a. Content: Tattoos/body art/brands located anywhere on the body that are prejudicial to good order, discipline, and morale or are of a nature to bring discredit upon the naval service are prohibited. 10. NAVY PERSONNEL WITH WAIVERABLE PRE-EXISTING CONDITIONS. Tattoos/body art/brands/mutilation/dental ornamentation may be waived if they existed prior to 24 January 2003 and are not prejudicial to good order, discipline, and morale or are of a nature to bring discredit upon the naval service.

11. NAVY PERSONNEL WITH NON-WAIVERABLE PRE-EXISTING CONDITIONS. If removal or alteration of tattoos/body art/brands/mutilation/dental ornamentation is determined by a military medical healthcare provider not to be feasible, the member may be processed for involuntary separation, if deemed appropriate by the commanding officer.
